In my 5th book of the series "It Stars With A Canvas", I selected 'live' artist Davina Mendoza to be featured. With her intricate designs that work well on every medium, the use of the human body as a 'living' canvas, is a sight to behold. Davina uses her skills to create art, as well as 'inspire' future artists with her painting classes. Join me, as we take a look into another side of the art world, with Davina Mendoza.
