Discover the keys to successful bullying prevention!

This book describes the paradigm shifts a school leader needs to create in order to develop and lead a schoolwide bullying prevention program. Anti-bullying efforts often fail because they do not have full support from every school stakeholder, including parents. This accessible book makes it easy to implement the three critical components of effective leadership for bullying prevention:

- The WILL to address the problem
- The SKILL to lead others to help reduce and prevent bullying
- The FOLLOW-THROUGH for ensuring anti-bullying policies are established and sustained
