## **On the Origins of Judaism (BibleWorld)** Philip R. Davies

*On the Origins of Judaism* examines the formation of one of the oldest monotheistic religions. The book covers a diverse range of themes: the identity of those who produced and canonized the Hebrew Bible and subsequently shaped its interpretation; the significance and impact of Second Isaiah and the books of Ezra and Nehemiah; the roots of Jewish apocalyptic literature, and the possible origins of the Exodus story; the ethical systems of the Hebrew Bible and the Athenian tragedians; and the place of food and drink in the Qumran community. *On the Origins of Judaism* is the most comprehensive exploration of the roots of the Jewish faith and will be invaluable to students and scholars of biblical and religious studies.

#### **Leslie Bennett:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this On the Origins of Judaism (BibleWorld) can make you truly feel more interested to read.
