The Big Three and Me Billy Casper, James Parkinson, Lee Benson

Billy Casper had a higher winning percentage than Arnold Palmer, he won twice as many times on the PGA Tour as Gary Player, and during his career he finished in the top twenty-five more consistently than Jack Nicklaus. And yet, when golf historians write about the legends of the game, with special attention paid to the above-listed "Big Three," his name is often left out of the discussion, or is at best an afterthought.

In this fascinating autobiography, Casper tells his life story, shining candid insight into the man who quietly collected fifty-one PGA Tour victories, the seventh highest total in history.
