## The Vintage Book of African American Poetry

In **The Vintage Book of African American Poetry**, editors Michael S. Harper and Anthony Walton present the definitive collection of black verse in the United States--200 years of vision, struggle, power, beauty, and triumph from 52 outstanding poets.

From the neoclassical stylings of slave-born Phillis Wheatley to the wistful lyricism of Paul Lawrence Dunbar . . . the rigorous wisdom of Gwendolyn Brooks...the chiseled modernism of Robert Hayden...the extraordinary prosody of Sterling A. Brown...the breathtaking, expansive narratives of Rita Dove...the plaintive rhapsodies of an imprisoned Eldridge Knight . . . The postmodern artistry of Yusef Komunyakaa. Here, too, is a landmark exploration of lesser-known artists whose efforts birthed the Harlem Renaissance and the Black Arts movements--and changed forever our national literature and the course of America itself.

Meticulously researched, thoughtfully structured, **The Vintage Book of African-American Poetry** is a collection of inestimable value to students, educators, and all those interested in the ever-evolving tradition that is American poetry.

*From the Trade Paperback edition.*
