Killing Cousins (Torie O'Shea Mysteries) Rett MacPherson

After the recent birth of her third child, Missouri genealogist Torie O'Shea is itching to get back to work. When she's approached to research and write a book about a recently deceased local woman who attained fame in the thirties and forties as a jazz singer, Torie figures she's found her new project. But her preliminary research turns up a startling piece of the woman's past: her infant son was kidnapped from his cradle in 1938 and never seen again.

Back in the present day, the mayor of New Kassell, Bill Castlereagh, is fixing to legalize riverboat gambling in the small historic village, which has Torie and her neighbors up in arms, terrorized by visions of neon lights and dancing girls invading their quaint, picaresque town.

Torie knows she has to do something to stop the mayor's plan before it gets started, but she's finding it hard to tear herself away from her research. She just can't stop herself from wondering what happened to that little baby all those years ago. And then a stranger in town turns up dead, throwing the town further into an uproar. Torie's got plenty on her plate, but with her knack for small town politics, expertise in genealogical research, a lot of perseverance, and a little luck, Torie might ferret out the truth behind a bizarre crime from the past with a dangerous reach into the present.

From reader reviews:

Katherine Sherrer:

Precisely why? Because this Killing Cousins (Torie O'Shea Mysteries) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking means. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Dione Wicker:

Many people spending their time frame by playing outside together with friends, fun activity with family or just watching TV all day every day. You can have new activity to invest your whole day by reading a book. Ugh, ya think reading a book will surely hard because you have to bring the book everywhere? It all right you can have the e-book, having everywhere you want in your Cell phone. Like Killing Cousins (Torie O'Shea Mysteries) which is finding the e-book version. So , why not try out this book? Let's notice.

Martin Hobson:

Within this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple solution to have that. What you must do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top checklist in your reading list is definitely Killing Cousins (Torie O'Shea Mysteries). This book that is qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking way up and review this guide you can get many advantages.

Jason Nimmons:

That book can make you to feel relax. That book Killing Cousins (Torie O'Shea Mysteries) was bright colored and of course has pictures on there. As we know that book Killing Cousins (Torie O'Shea Mysteries) has many kinds or genre. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading this.
