## **Los nuevos machismos (Aresta - Dones) (Spanish Edition)** Lidia Falcón O'Neill

El balance a todas luces positivo de cuatro décadas de lucha feminista hay que analizarlo desde la perspectiva actual con bastante menos entusiasmo que hubiéramos podido hacerlo veinte años atrás. Y precisamente por el éxito obtenido en las luchas libradas, el cambio social e ideológico está basculando en contra las mujeres. LOS NUEVOS MACHISMOS, viene a analizar, escudriñar y denunciar la involución que los sectores más reaccionarios de la sociedad están impulsando, y a veces imponiendo, a los avances conseguidos por el feminismo. Desde la cultura dominante, la publicidad, el cine, la literatura, la televisión, y en el mundo del trabajo, de la política y de la economía, la ofensiva machista está arrebatando el respeto y el papel protagonista que las mujeres habían conseguido en el siglo XX. Con la terrible tragedia de la violencia continuada contra las mujeres, que se cobra decenas de víctimas cada año. Este nuevo ensayo de LIDIA FALCÓN, viene a desvelar las claves del dominio del Patriarcado que sigue detentando el poder. Con su conocido estilo directo, sin subterfugios ni equívocos ni eufemismos, la autora vuelve a hacer una aportación fundamental al conocimiento de la lucha feminista, y, lo que es imprescindible, de sus enemigos. Una nueva obra indispensable en la biblioteca de las mujeres, de las feministas, y de cualquier estudioso de la sociedad española.
