This fun, retro volume shows moms how to maintain peace and prosperity for their familys- well, maybe not. Things like sending the little ones off to bed before hubby gets home so he won't have to be disturbed by them, making balanced meals every night and making sure everyone is at the table for dinner, keeping herself looking good for him are portrayed in the kitschy light of their reality at that time. Warning: This is a gift between sisters and girlfriends who are mom or moms- to be...It's humorous gifts for moms to be or current moms, for Mother's Day or any day.
