The Motley Fool Investment Workbook (Motley Fool Books) David Gardner, Tom Gardner

Drawing on lessons learned in the past few turbulent years, the revised *Motley Fool Investment Workbook* shows how The Motley Fool's popular investment strategies continue to help regular people beat Wall Street's best money managers -- in good times and in bad. Updated to reflect today's whipsaw economy, you will learn how to evaluate a company's financial performance, which mutual funds make sense, and where to find havens for your retirement savings.

Demonstrating how to value companies in a roller-coaster era -- and providing more useful work sheets and space for tracking goals than ever before -- this new edition gives you all the information and calculations you need to make smart investment moves now, including how to:

Figure out how much money you have to invest

Devise a sensible -- and profitable -- investment strategy

Select winning stocks

Purchase stocks in the cheapest and fastest way possible

Protect your investments and learn when -- if ever -- to let them go

Brimming with worksheets, charts, and real-world examples -- all wrapped up by The Fool's trademark sense of humor -- *The Motley Fool Investment Workbook* will help you take control of your own financial destiny one step -- and one dollar -- at a time.
