## **Water-Based Paint Formulations, Vol. 3: 003** Ernest W. Flick

This collection of 463 water-based trade and industrial formulations will be of value to technical and managerial personnel in paint manufacturing companies and firms which supply raw materials or services to these companies, and to those interested in less hazardous, environmentally safer formulations.

The data consists of selections of manufacturers' suggested formulations made at no cost to, or influence from, the makers and distributors of these materials. Only the most recent data is included. Any solvent containment is minimal.
