Death at China Rose (Sunshine State Murders) Daryl Anderson

In this swamp of double-dealing, almost everyone has an agenda.

When Harry Pitts—owner of the rundown China Rose Fish Camp—is beaten to death in his home, the bloody scene suggests a frenzied, random act of violence. But PI Addie Gorsky believes the crime is connected to another case—the disappearance of Harry's daughter eleven years ago.

All murders begin in the past, but Addie soon realizes that this case is rooted in old Florida, back in the time of wily pirates and proud conquistadors, and the trove of treasure that legend claims is buried in this backwater.

Addie dives headfirst into the wild heart of China Rose, surrounded by grinning gators, killer bees and gaping cottonmouths. But these predators pale in comparison to the cunning two-legged killer Addie is hunting...and who soon begins hunting her.
