The Graveyard Book - Behind the Story: Backstage Pass to Novels Carly Rasmussen

Neil Gaiman's dreams of creation begun when he was fifteen, only a little older than many of those who pick up *The Graveyard Book*. And this book has truly been one that has haunted his every word, every typed phrase and scribbled note as his career soared from struggling journalist to internationally renowned novelist. It was born in a little graveyard, taunted him with a story that he could not bring himself yet to write because he did not think his skill yet good enough. But that little story grew with the help of classics such as Rudyard Kipling's *The Jungle Book* and the kind efforts of far more famous cemeteries around the world. Now, you, kind reader, hold the whole tale of its journey from a little boy bicycling about the headstones to the lyrical novel that transcends the idea of a children's book.

Experience: The Behind the Story Effect

After reading a BTS... You feel inspired to follow your hearts and dreams... — Arshi

Ever been backstage at a concert? Here you go -- in written form. — Author, Editor

I felt enriched with knowledge about the book, and I felt like I knew more about the book. — Aspiring Author

It makes me discover new things, and when I re-read the book, my emotions are different, deeper now that I understand what's behind the book. — Karlen

I felt closer to the writer knowing more about them as a person and why they wrote what they wrote. — The Beta Reading Club

I felt like the Behind the Story offered a new look into the book, and appreciated that, as most of the time, that angle is unexplored. — Aspiring Author

Get ready for one of the most unique experiences you will ever have...this is definitely CliffNotes and SparkNotes on Steroids. — Author, Editor
