Theo-Logic, Vol. 1: The Truth of the World

Hans Urs von Balthasar

Theo-Logic, Vol. 1: The Truth of the World Hans Urs von Balthasar

Theo-Logic is the third and crowning part of the great trilogy of the masterwork of theologian Hans Urs von Balthasar, following his first two parts, *The Glory of the Lord* and *Theo-Drama*.

Theo-Logic is a variation of theology, it being about not so much what man says about God, but what God speaks about Himself. Balthasar does not address the truth about God until he first reflects on the beauty of God (*Glory of the Lord*). Then he follows with his reflections on the great drama of our salvation and the goodness and mercy of the God who saves us (*Theo-Drama*). Now, in this work, he is ready to reflect on the truth that God reveals about Himself, which is not something abstract or theoretical, but rather the concrete and mysterious richness of God's being as a personal and loving God.
