TROUBLE ISN'T THE ONLY THING ON HER MIND.

The youngest and wildest of the Radcliffe sisters, Jade is the last to return home to her family's sprawling Virginia horse farm and its unsettling memories. She never planned on a night of passion with a stranger before starting her new life as a teacher and riding instructor—or the shock of recognizing the man who gave her so much pleasure standing right there in her classroom.

Officer Rob Cooper is stunned. Not only is the woman who rocked his world his daughter's second grade teacher, but she's the troubled teen whom he blames for his wife's death years ago. Worse, now that he sees her in the light of day, he wants her more than ever. Time has softened Jade's hard, rebellious edge—she's spirited, honest, and sexy to distraction. But will the feelings ignited in the heat of desire be enough to heal a past that needs forgiving?
