**Managing Indian Banks: The Challenges Ahead (Response Books)** Vasant C Joshi, Vinay V Joshi

This revised and updated edition of **Managing Indian Banks: The Challenges Ahead** equips the senior and middle management of banks/financial institutions in dealing with extremely complex issues that have emerged in the post sub prime lending crisis. Highlighting the way organisations can develop systems in a proactive manner to deal with the myriad problems facing them, this book focuses on

- major technological changes in the banking sector;
- risk management;
- integrating click and brick banking services; and
- problems and solutions with regard to banks' balance sheet, corporate planning, corporate personnel and e-banking.

The authors argue that overcoming these challenges is the key to acquiring competitive advantages and developing a sound market for financial services. This book would be helpful for the students of banking, financial management and bank management.
