Love knows no bounds.

Cursed by the dark mage who killed her, Hilda Janssen has wandered the Earthly plane as a ghost for fifty years, finally finding her place as an IRT hunter, policing supernatural misfits trapped on Earth after a brutal war.

When a demon attacks, putting her team in mortal danger, Hilda sacrifices herself to save her friends. She's already died once; what difference will doing it again make? But instead of meeting a final death, Hilda is cast into the Void, a magical prison from which there is no escape.

Her only hope is Cade Kerrigan, the lover she left behind after her first death. Their bond and his magic are the only things strong enough to pull her through the Veil. But Cade has no idea his soulmate came back as a ghost, and he isn't too happy to have been left in the dark.

They must put aside the baggage of the past to save Hilda from a fate worse than death.

Warning: Contains star-crossed lovers destined for a second chance, a whirlwind of powerful magic, and a love so strong it defies even death.
