Sisters of Grass

Theresa Kishkan

Sisters of Grass Theresa Kishkan

In her vibrant first novel *Sisters of Grass*, Theresa Kishkan weaves a tapestry of the senses through the touchstones of a young woman's life. Anna is preparing an exhibit of textiles reflecting life in central British Columbia a century ago. In a forgotten corner of a museum, she discovers a dusty cardboard box containing the century-old personal effects of a Nicola valley woman. Fascinated by the artifacts, she reconstructs the story of their owner, Margaret Stuart. Margaret, the daughter of a Native mother and a Scottish-American father, she tries to fit into both worlds. She's taught photography by a visiting Columbia University anthropology student that she falls in love with. With strong, poetic language, Kishkan makes the past reverberate through the present in a richly patterned work celebrating the complexities and joys of life and the sustaining connections of family.
