The Gospel according to Oprah (The Gospel according to...) Marcia Z. Nelson

In this book, religion reporter Marcia Nelson explores the spiritual dimensions that are prevalent in all aspects of the Oprah Winfrey media empire. Though Oprah is rarely explicitly religious on her television show or in her magazine, Nelson points out that there are several major Christian themes that weave through these aspects of her life and work: confession, redemption, healing, mission, forgiveness, and salvation. Nelson concludes that Oprah is a "compelling spiritual teacher in a spiritually eclectic and ever-practical America." This book will appeal both to Oprah fans and people who are fascinated by the intersection of religion and popular culture.
