Who Else but a Mother? Cathy Hamilton

Who else but a mother would drive at breakneck speed, ignoring traffic signs and risking her "preferred driver" status, just to make it to a soccer match on time?

How do you thank a mom who goes above and beyond her motherly duty? You could present her with clunky ceramic candlesticks made in third grade art class that she'll display at all times--even when company comes. Or there's Cathy Hamilton's latest book, *Who Else but a Mother?*, which celebrates Mom and all the quirky and heroic ways she keeps her household held together--occasionally with the aid of superglue.

After all, who else but a mother . . .

* Would smile and pretend that everything is perfectly normal, even though her precious child is standing stark naked in the middle of her dinner party?

Perfect for Mother's Day, *Who Else but a Mother?* is the gift to show her you notice and appreciate all the loopy and loving things she does.
