The Bad Behavior of Belle Cantrell Loraine Despres

Belle Cantrell felt guilty about killing her husband and she hated that. Feeling guilty, that is. A lady shouldn't do something she's going to feel guilty about later, was a rule Belle kept firmly in mind.

So begins *The Bad Behavior of Belle Cantrell*, a story of murder, adultery, and regular church attendance, which introduces Belle Cantrell as a beautiful young widow with a rebellious streak, years before she will become grandmother to Sissy LeBlanc, the feisty main character of Loraine Despres's bestselling *The Scandalous Summer of Sissy LeBlanc*.

The year is 1920, prohibition is in full swing, women are clamoring for the vote, and a narrow-minded intolerance is on the rise. Life isn't easy for an unmarried woman, not in a little town like Gentry, Louisiana, especially after she's sent to jail for swimming in an indecent bathing costume with a group of suffragists.

It's not as if Belle doesn't know how to behave. She knows the rules. She keeps the Primer of Propriety firmly in mind. But sometimes -- most of the time -- she has to twist the rules a little, or break them, or give them a permanent kink, because they all say the same thing: "Don't."

And a girl has got to live.

After a year and a half of mourning, Belle decides to get on with her life and kicks off a season of tumult that will change her and Gentry forever.

Sexy, sassy, with laugh-out-loud humor and a cast of zany characters you won't forget, *The Bad Behavior of Belle Cantrell* is a big comic love story and a page-turner. But it delves deeper, as Belle struggles to find her moral center and stand up to forces that are determined to destroy the soul of a town and the people she loves.
