Woods, Lakeboat, Edmond

David Mamet

Woods, Lakeboat, Edmond David Mamet

The Woods, described by the *Chicago Daily News* as a “beautifully conceived love story,” is a modern dramatic parable in which a young man and woman who spend a night in his family’s cabin experience passion, then disillusionment, but are in the end reconciled by mutual need.

In *Lakeboat*, eight crew members aboard a merchant ship exchange their wild fantasies about sex, gambling, and violence.

In *Edmond*, a man set morally adrift leaves an unfulfilling marriage to find sex, adventure, companionship, and, ultimately, the meaning of his existence.

Of *The Woods*, Richard Eder of *The New York Times* wrote that Mamet’s “language has never been so precise, pure, and affecting.”

Michael Feingold in *The Village Voice* praised *Lakeboat* for its “richly overheard talk and its loopy, funny construction.”

Jack Kroll of *Newsweek* called *Edmond* “a riveting theatrical experience that illuminates the heart of darkness.”
