149 Paintings You Really Should See in Europe - Germany and Austria Julian Porter

This chapter from Julian Porter's essential companion to all the major European museums and galleries discusses some of the greatest paintings to be found in the museums and galleries of Germany and Austria. His passion for art began with the seven years he spent as a student tour guide in Europe. In this segment he visits Berlin, Vienna, Dresden, and Munich and discusses works by masters such as Rembrandt, Watteau, Raphael, Van Eyck, Dürer, and many more.

In the usually pretentious arena of art connoisseurs, Porter's voice stands out as fresh and original. He finds the best of the best, which he describes with entertaining irreverence, and spares you hours of sore feet and superfluous information.
