Constituciones fundacionales de Cuba (Spanish Edition) Autores varios

Las Constituciones fundacionales de Cuba comprenden las primeras constituciones con que las fuerzas independentistas conformaron un código legal y un marco de actuación jurídico desde el que legitimar sus posiciones. Las tres primeras constituciones se ocupan de preparar un espacio de poder y legalidad que permita establecer tratados y separar el poder judicial del resto de los poderes. Es a partir de la Constitución de la Yaya que los escritos constitucionales de los movimientos independentistas cubanos empiezan a establecer auténticos principios de gobernabilidad; en una creciente voluntad de abarcar aspectos políticos más cercanos a los de la vida cotidiana en la isla y en una pretensión de diálogo con las dos fuerzas extranjeras que más incidieron en la Cuba de entonces: España y los Estados Unidos.
