El efecto Noemí (Spanish Edition) Carolina Aguirre

Luego de treinta años de matrimonio, Boris descubre que no soporta más a su mujer y decide separarse. Quiere volver a fumar, salir con amigos, atragantarse con grasas sin la censura gabilana de su esposa, masturbarse con la puerta abierta y dormir hasta el mediodía sin que nadie lo despierte para ir a comer.

Sin embargo, desde el momento en que deja su casa, algo raro le empieza a pasar. Escucha la voz de su ex mujer en su cabeza, siente culpa y se hunde en un insomnio progresivo y misterioso que parece no tener explicación. Prueba todo lo que tiene a mano para poder volver a dormir: prostitutas bien dispuestas, whisky y somníferos, una secretaria desesperada por conquistarlo, partidos de fútbol con amigos decadentes, boliches sórdidos de solos y solas, maratones de televisión por cable, pero nada resulta y siempre termina hundido en la insoportable soledad que lo empuja a vivir en ese pasado quieto, que a veces detesta y a veces añora.

En su primera novela, Carolina Aguirre -autora de Bestiaria y Ciega a citas- logra componer una historia fascinante de trama precisa y clima intimista, donde las aventuras se suceden, delirantes y opresivas, mientras los personajes son diseccionados con una agudeza descarnada. Ninguno sale ileso; Aguirre los observa sin piedad pero con un gran sentido del humor a través de su particular y lúcida mirada, que deja al descubierto las miserias, las fantasías y los miedos de cada uno de ellos, de cada uno de nosotros.

Wesley McFarland:

Precisely why? Because this El efecto Noemí (Spanish Edition) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your ability and your critical thinking means. So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Leonard Bartow:

What is your hobby? Have you heard this question when you got scholars? We believe that that query was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person similar to reading or as reading through become their hobby. You should know that reading is very important as well as book as to be the issue. Book is important thing to increase you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you go onto be your object. One of them is actually El efecto Noemí (Spanish Edition).
