Exodus (Brazos Theological Commentary on the Bible) Thomas Joseph White OP

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture credally for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. *Exodus*, like each commentary in the series, is designed to serve the church and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Praise for *Exodus* in the Brazos Theological Commentary on the Bible

"Thomas Aquinas left us no commentary on Exodus. But Thomas Joseph White succeeds in giving us a sense of what one from his hand might look like today."

--**Bruce D. Marshall**, Perkins School of Theology, Southern Methodist University

"White's reading of Exodus tackles head-on the peculiarly modern conceit that all that stands between the reader of scripture and wise reading is a lack of knowledge--a deficiency of information. Surely, say White and the Catholic tradition to which he hereby contributes, as readers we typically lack the moral formation to see clearly the text and its truths. As such, we take a journey in tandem with the Israelites: from darkness to light and from slavery in Egypt to life-giving service (and understanding) under God's law. Drawing deeply on the fourfold sense of scripture in dialogue with Aquinas and many other serious theological voices, this commentary will strengthen and challenge all readers in pursuit of the God to whom the book of Exodus bears witness."

--**Richard S. Briggs**, Cranmer Hall, St. John's College, Durham University

"In his introduction to this extraordinary commentary and reflection on Exodus, Fr. Thomas Joseph White, OP, writes that 'the classical Catholic approach to the moral law on Exodus is in many ways convergent with Judaism.' Thus I can now better understand why Maimonides (who so greatly influenced Thomas Aquinas, Fr. White's *authoritas*) taught that Jews like me may learn Torah with Christians like Fr. White, who accept the Torah as divine revelation. In addition to that theological commonality (with differences to be sure), I very much identify with Fr. White's philosophically informed way of reading the Torah."
