Everybody wants to fall in love, but so many relationships end in heartbreak instead of happily-ever-after. Now one of the nation's most trusted voices on family relationships, Dr. James Dobson, offers this practical guide to love--what it is and what it isn't--for couples and dating singles. First and foremost, Dr. Dobson wants everyone who is looking for love to understand the myth vs. the reality of emotions, and *Head Over Heels* includes the one-of-a-kind What Do You Believe About Love? quiz to help readers separate fact from fiction. With gentle frankness, he discusses the joy and beauty of sex in marriage as well as the destruction and heartbreak that sex outside of marriage inevitably brings to hearts, minds, and bodies. Also included is a learning/discussion section with questions and Scripture references for personal or group study, plus a poignant, heartwarming letter from Dr. Dobson to his beloved wife, Shirley.
