The Eleventh Lost Tribe: Poems of the Holocaust Louis Daniel Brodsky

The Eleventh Lost Tribe, Brodsky's fourth book of poems devoted to the Holocaust, asks the reader to confront the dispossessed lives of ghetto dwellers, death-camp survivors, Jews prescient or desperate enough to have fled Europe prior to being captured and slaughtered, and, finally, children of the Shoah's refugees or orphans of those who perished in it. Exposing the gritty existence of characters Brodsky has resurrected from his imagination, the book's four sections implore the reader to follow on a quest not so much for historical fact as emotional truth, in search of a better understanding of our incredulity and outrage over the Holocaust.
