The Paradoxical Foundation of Strategic Management (Contributions to Management Science)

Andreas Rasche

This book offers a systematic critique of the scientific discourse of strategic management. It uncovers scholars' unquestioned assumptions and shows that by upholding these assumptions researchers obscure the paradoxical nature of strategic reasoning. To uncover the paradoxes of strategic management the author refers to the philosophy of Jacques Derrida. He exposes the paradoxes that inevitably occur when theorizing about corporate strategy along the dimensions strategy context, process, and content and shows how these paradoxes can enrich future thinking about strategic problems. The analysis is completed by a discussion of theoretical and practical implications which highlight the need to research strategy not as something an organization has, but as something an organization does. Such a 'practice perspective' gives reference to the paradoxical ground that strategic management rests on and enriches scholars' ability to reflect on practitioners' tasks while 'doing' strategy in organizations.

From reader reviews:

Douglas Dossett:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Paradoxical Foundation of Strategic Management (Contributions to Management Science), you can enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its identified as reading friends.

Joseph Gee:

Your reading sixth sense will not betray a person, why because this The Paradoxical Foundation of Strategic Management (Contributions to Management Science) e-book written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still skepticism The Paradoxical Foundation of Strategic Management (Contributions to Management Science) as good book not only by the cover but also from the content. This is one e-book that can break don't determine book by its deal with, so do you still needing one more sixth sense to pick that!?! Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Esther Watson:

Is it an individual who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This The Paradoxical Foundation of Strategic Management (Contributions to Management Science) can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

Scott Smith:

A lot of e-book has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the best book for you, science, comic, novel, or whatever through searching from it. It is named of book The Paradoxical Foundation of Strategic Management (Contributions to Management Science). You'll be able to your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make you actually happier to read. It is most crucial that, you must aware about guide. It can bring you from one place to other place.
