The President is dead!

A man is running in the night. He is afraid and needs to rest. But there are people behind him – people with lights, and dogs, and guns.

A man is standing in front of a desk. His boss is very angry, and the man is tired and needs to sleep. But first he must find the other man, and bring him back – dead or alive.

Two men: the hunter and the hunted. Which will win and which will lose?

Long live the President!
