This book is designed to help young adults decide whether to pursue a degree, enrol for skills training, or investigate one of the many other options that are available.

In this special excerpt, we take the crucial action of pondering the right future for you, including such steps as 1. The Crossroads: Making Choices That Matter, 2. Know Yourself, 3. The University Option, 4. The College Option, and 5. Polytechnics. This book will help you consider all the options in a clear, rational way.
