A License to Steal: The Forfeiture of Property

Leonard W. Levy

A License to Steal: The Forfeiture of Property Leonard W. Levy

Leonard Levy traces the development and implementation of forfeiture and contends that it is a questionable practice, which, because it is so often abused, serves only to undermine civil society. Arguing that civil forfeiture is unconstitutional, Levy provides examples of the victimization of innocent people and demonstrates that it has been used primarily against petty offenders rather than against its original targets, members of organized crime.
