History of Criminal Justice

Mark Jones, Peter Johnstone

History of Criminal Justice Mark Jones, Peter Johnstone

Covering criminal justice history on a cross-national basis, this book surveys criminal justice in Western civilization and American life chronologically from ancient times to the present. It is an introduction to the historical problems of crime, law enforcement and penology, set against the background of major historical events and movements. Integrating criminal justice history into the scope of European, British, French and American history, this text provides the opportunity for comparisons of crime and punishment over boundaries of national histories. The text now concludes with a chapter that addresses terrorism and homeland security.
