Philip Roth

Operation Shylock: A Confession Philip Roth

What if a lookalike stranger stole your name, usurped your biography and went around the world pretending to be you? In this tour de force of fact and fiction, Philip Roth meets a man who may or may not be Philip Roth. Because someone with that name has been touring the State of Israel, promoting a bizarre exodus in reverse of the Jews. Roth decides to stop him—even if that means impersonating his impersonator. Suspenseful, hilarious, hugely impassioned, pulsing with intelligence and narrative energy, *Operation Shylock* is at once a spy story, a political thriller, a meditation on identity, and a confession.

Like Pushkin and Dostoevsky before him, Philip Roth takes on the subject of the writer's double, which for Roth is inevitably bound up in Jewishness and identity. This is a bold, inventive and energetic departure from his past novels, a meta-novel, and, like all of his writing, full of ideas, wit, humor and startling observation.
