## **Phoenix - S K Club: Catalogue of Members, 1949** Phoenix - S K Club

Cambridge, MA: Printed for the Club, 1949. The Phoenix - S K Club is one of the eight prestigious "Final" clubs of Harvard University. Former members include Samuel Eliot Morison; William Ruger, Jr.; and Eduardo Saverin, the wronged co-founder of Facebook. As portrayed in the movie *The Social Network*, the club's exclusivity and Mark Zuckerberg's jealousy of Saverin's induction into it were part of what drove Zuckerberg to create Facebook. This volume includes the last known addresses of members as well as a listing of trustees, the club constitution, and an "historical sketch" spanning from the club's antecedents in 1897 to the time of publication.
