## **Snow Bear** Tony Mitton

In the icy-cold heart of winter, a little snow bear wanders through the snow. As the wind whips past him, ruffling his fur, he searches for a home.

But where can he go? Each warm place has been claimed, and there is no room for a bear, no matter how little. Suddenly he sees a flickering of light, orange and bright against the snowy ground. A house!

As Snow Bear pushes open the creaking door, he feels warmth spread over him. There's a girl by the window, and, somehow, deep down, Snow Bear knows that he is home.

A heartwarming, wintry read, perfect for fans of *Guess How Much I Love You?*

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Snow Bear can make you feel more interested to read.
