Once is never enough.

I've got money. I've got power. I do what I want, when I want, how I want.
I clawed my way out of the gutter to get to this life.
There's not a thing in this world that could convince me to give it all up.

Well, except for one.

Jenny.

I thought I'd never see her again, but the world has a sick way of throwing your past back in your face. When I stop a couple of punk kids from assaulting an innocent girl, who turns out to be the **damsel in distress**?

Her, of course.

The sight of her still makes me **hard with desire**.

And when it turns out that she has a son – my son – that she's been hiding from me for all these years, I almost explode.

Forget the war with my rivals.

There's only one thing that matters now:
taking back what's mine.

***Bad Boy's Baby* is a full-length, standalone romance novel with steamy hot sex, strong language, a happily every after ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers.**
