## **El puente de los suspiros (Spanish Edition)** Elena Peroni

Su persecución, el estigma de ser rechazados, sus amores, la solidaridad de algunas personas con su martirio, y el descubrimiento de que no era una enfermedad contagiosa. El argumento se construye a partir de personajes ficticios y reales como el músico Luis A. Calvo que soportaron el aislamiento de sus semejantes y que tiene como epicentro el leprocomio en la población de Agua de Dios. Una impresionante novela que conjuga el rigor histórico y las licencias que nos permite la ficción para crear un mundo verosímil y apasionante.
