**El siglo del desencanto: 0 (Lengua Y Estudios Literarios) (Spanish Edition)** Angelina Muñiz-Huberman  
Mirada crítica al siglo XX, un siglo que comenzó con la esperanza de consolidar un avance en distintos campos del saber humano, pero que también conoció la barbarie y la destrucción. La autora resalta el espíritu de orfandad que impregna cada uno de los diversos estadios y obsesiones del pensamiento filosófico, literario, musical y artístico de este convulsionado siglo.
