Porn University: What College Students Are Really Saying about Sex on Campus Michael Leahy

Porn University reveals the startling results of a brand new study on the sexual attitudes, beliefs, and behaviors of more than 25,000 college and university students on more than 100 campuses all over America.

The revealing results offer a closer look at the shifting sexual trends and histories of the next generation of leaders in America. Included are commentary and analysis from the author and other experts in this field on key findings and discoveries, as well as predictions of where the sexual trends of tomorrow might be headed.

There are an estimated 18-22 million male and female sex addicts in America today, and the average American teen is exposed to over 14,000 sexual images and messages every year through our mainstream media. This is the new reality.

Don't be discouraged. There is hope!
