FDR, Dewey, and the Election of 1944

David M. Jordan

FDR, Dewey, and the Election of 1944 David M. Jordan

Although the presidential election of 1944 placed FDR in the White House for an unprecedented fourth term, historical memory of the election itself has been overshadowed by the war, Roosevelt's health and his death the following April, Truman's ascendancy, and the decision to drop the atomic bomb. Today most people assume that FDR's reelection was assured. Yet, as David M. Jordan's engrossing account reveals, neither the outcome of the campaign nor even the choice of candidates was assured. Just a week before Election Day, pollster George Gallup thought a small shift in votes in a few key states would award the election to Thomas E. Dewey. Though the Democrats urged voters not to "change horses in midstream," the Republicans countered that the war would be won "quicker with Dewey and Bricker." With its insider tales and accounts of party politics, and campaigning for votes in the shadow of war and an uncertain future, FDR, Dewey, and the Election of 1944 makes for a fascinating chapter in American political history.

Kimberly Gomez:

In this period of time globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The actual book that recommended to your account is FDR, Dewey, and the Election of 1944 this guide consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The particular writer made some analysis when he makes this book. Honestly, that is why this book suitable all of you.

Cheryl Bullen:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this FDR, Dewey, and the Election of 1944 can make you feel more interested to read.
