## **In the Amazon (The Adventures of Archibald & Jockabeb Book 3) Art Collins**

In the first two books, Archibald and Jockabeb make a number of wonderful friends while battling unearthly foes that possess supernatural powers. In a dark forest close to home, they escape almost certain death with the aid of a young Indian brave, Haktu, and his pony, Uno. Later, in a distant mountain range, they come to know the kindness of Gran, Ben, Tommy Two Feathers, and their four-legged companions, Champ and Ghost Rider. Stalked relentlessly by the blood-thirsty wolf-crows in the forest, and then by the cunning devil cat in the mountains, the two brothers manage to barely escape with their lives. However, when they accept their uncle's invitation to visit him in Brazil, little do they know that their most terrifying adventure is about to unfold — an amazing adventure that will again test the magical power of Haktu's blue feather. So, as you prepare to read *In the Amazon*, get ready for an unforgettable journey into the dark recesses that lie between the crevices of reality and fantasy!
