## **Infierno nevado (Spanish Edition)** Ismael Martínez Biurrún

Celio Rufo es un veterano de la Legión, antiguo escribano en las tropas de Pompeyo el Grande. Pero Celio es sombra de lo que una vez fue: vive en un estado de terror permanente y la locura se agazapa a pocos pasos de él. Atrapado entre el deseo de olvidar y la necesidad de contar lo que pasó en Hispania, su vida es un laberinto sin salida... hasta que encuentra a otro veterano de la Legión, otro superviviente de los hechos atroces que presencié y empieza por fin a recordar y narrar lo que recuerda.

Así es como sabremos lo que ocurrió en el invierno del año 75 antes de Cristo en Hispania en un descanso en la lucha contra el rebelde Sertorio y conoceremos la historia del tribuno Arranes, un hombre atrapado entre su lealtad a Roma y su origen vascón. A través de la memoria de Celio asistiremos a la misión que emprende Arranes a lo más recóndito de las montañas, donde él y sus hombres encontrarán un terror ancestral y primigenio que se agazapa en lo más profundo del bosque nevado.
