## Perú ante los desafíos del siglo XX (Spanish Edition)

El volumen está organizado en tres partes. En la primera, abarca seis aspectos de la realidad social peruana actual: Alfredo Torres ofrece un perfil de los peruanos de hoy; Salomón Lerner, por su parte, recuerda el poco compromiso con las lecciones derivadas de la época de la violencia; Wilfredo Ardito traza un panorama de la discriminación con especial atención al racismo. Luis J. Cisneros Hamann aborda el papel de los medios de comunicación, la banalización de sus contenidos y sus relaciones con el poder; Francisco Durand retoma su examen de las elites económicas del país. Marfil Francke cierra esta sección al abordar el lugar alcanzado por la mujer en la educación, el trabajo y otros ámbitos.

La segunda parte está dedicada a los desafíos del Estado peruano en el nuevo siglo. Óscar Dancourt abre con un análisis sobre los efectos de la crisis económica 2008-2009; Alberto Gonzales replantea el desafío de la lucha contra la pobreza y propone nuevas líneas de actuación para el Estado; Patricia Oliart examina la dramática situación de la educación pública en el país; Gino Costa emprende un análisis de la seguridad pública amenazada por la subversión, el narcotráfico y la delincuencia común; Víctor Caballero introduce el asunto de los conflictos sociales en el contexto de la regionalización del país, y cierra esta sección el trabajo de Javier de Belaunde sobre la administración de justicia.

En la tercera, José Luis Rénique constata que «hierve el país profundo mientras las élites otean desde sus alturas las riberas del primer mundo». Michael Shifter vuelve a discutir los éxitos y los riesgos del país en el curso adoptado para unirse al proceso de globalización. Por último, Julio Cotler aporta sus reflexiones sobre las difíciles relaciones entre capitalismo y democracia.
