What would your life be like if you could be more successful in everything you did? What if you could improve your marriage, your business, or your social life and make each of these the best they could possibly be? In *Born Jumping*, Benjamin Genet dares you to leap into the fray with him and strive to achieve all you can. He explores the concept of success, and demonstrates how he, a typical man, learned to pursue and achieve his dreams with enthusiasm and intention. As Genet takes you through his battle with A.D.H.D., the ups and downs of marriage and fatherhood, and his quest to find a financially and emotionally sustainable occupation, his touching stories and wisdom will help you to prevail over your own struggles and dreams. Genet artfully combines his own life experience and a hybrid of spiritualities and philosophies to craft the "Jumper's Success Formula"-his tried and true method for success. Using his streamlined Formula, Genet shows you how to harness your inner power and bring meaning to your life. You'll identify your goals, your hopes, your strengths, and your fears, and armed with the Formula, you'll be able to effectively strive for greatness in everything you do.
