Footprints in the Sand Rebekah Hatcher

Callie Andrews is content with her life, until she gets a phone call telling her that her twin brother is in an Iraqi prison. When Mark Wilson contacts her and tells her that his father has also been taken captive, her organized life is suddenly turned upside down. As they uncover more information, they soon realize that the company their family members worked for is not what it appeared, and the kidnappings may not have been as random as they seemed. Callie and Mark's own lives will soon be in danger as they race to rescue their loved ones. As Callie and Mark travel around the world, staying one step ahead of the men trying to keep them from discovering the truth, they find that they may have been brought into one another's lives for an even larger purpose. Can Mark's faith inspire Callie to turn back to God after spending so long running from Him? Can Callie's beauty and love help Mark heal from the heartbreak of losing his fiancée and learn to open himself up once again? Their journey brings up questions of love and faith for each of them as they make Footprints in the Sand.

From reader reviews:

Brian Lopez:

Book will be written, printed, or descriptive for everything. You can understand everything you want by a e-book. Book has a different type. As you may know that book is important point to bring us around the world. Next to that you can your reading talent was fluently. A book Footprints in the Sand will make you to be smarter. You can feel much more confidence if you can know about every thing. But some of you think which open or reading the book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or ideal book with you?

Joseph Bolden:

Information is provisions for folks to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider if those information which is in the former life are challenging to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Footprints in the Sand as the daily resource information.

Paul Mackey:

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, after that why you don't try matter that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Footprints in the Sand, you could enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Charles Morris:

Are you kind of hectic person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short space of time to read it because this all time you only find guide that need more time to be go through. Footprints in the Sand can be your answer as it can be read by you actually who have those short spare time problems.
