Shannon Campbell McGrath

“An unexpected story and a gem of a book.”

—*Pittsburgh Post-Gazette* <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

The incomparable Campbell McGrath, whom *Outside* magazine calls, “A writer who could help save poetry from academia and get the rest of us reading it again,” delivers an astounding work: *Shannon*, an epic poem that traces the remarkable journey of the youngest member of the Lewis and Clark expedition. The *Kansas City Star* praises *Shannon* as, “A luminescent narrative...a myth of American character before its corruption,” and Campbell McGrath—Poet Laureate, Guggenheim Fellowship, Pushcart Prize, and three-time Academy of American Poets Prize winner—proves once again to be truly an “everyman poet” who channels the spirit of Walt Whitman in this lyrical adventure.
