The Lake

Banana Yoshimoto

The Lake Banana Yoshimoto

A major literary sensation is back with a quietly stunning tour de force about the redemptive power of love.

While *The Lake* shows off many of the features that have made Banana Yoshimoto famous—a cast of vivid and quirky characters, simple yet nuanced prose, a tight plot with an upbeat pace—it’s also one of the most darkly mysterious books she’s ever written.

It tells the tale of a young woman who moves to Tokyo after the death of her mother, hoping to get over her grief and start a career as a graphic artist. She finds herself spending too much time staring out her window, though ... until she realizes she’s gotten used to seeing a young man across the street staring out his window, too.

They eventually embark on a hesitant romance, until she learns that he has been the victim of some form of childhood trauma. Visiting two of his friends who live a monastic life beside a beautiful lake, she begins to piece together a series of clues that lead her to suspect his experience may have had something to do with a bizarre secret from his past. . . .

With echoes of real life events, such as the Aum Shinrikyo cult (the group that released poison gas in the Tokyo subway system) and the kidnapping of Japanese citizens by North Korea, *The Lake* unfolds as the most powerful novel Banana Yoshimoto has written. And as the two young lovers overcome their troubled past to discover hope in the beautiful solitude of the lake in the countryside, it’s also one of her most moving.

From the Hardcover edition.

From reader reviews:

Sammy McManus:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each book has different aim or even goal; it means that e-book has different type. Some people sense enjoy to spend their time and energy to read a book. These are reading whatever they take because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you should have this The Lake.

Anderson Austin:

This The Lake are reliable for you who want to be a successful person, why. The key reason why of this The Lake can be one of many great books you must have is usually giving you more than just simple studying food but feed an individual with information that maybe will shock your prior knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions in the e-book and printed versions. Beside that this The Lake giving you an enormous of experience for instance rich vocabulary, giving you demo of critical thinking that could it useful in your day activity. So , let's have it and luxuriate in reading.

James Stumbaugh:

Your reading sixth sense will not betray an individual, why because this The Lake guide written by well-known writer whose to say well how to make book which can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still doubt The Lake as good book not just by the cover but also with the content. This is one reserve that can break don't assess book by its protect, so do you still needing one more sixth sense to pick this particular! Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Timothy Hawkins:

Are you kind of active person, only have 10 or even 15 minute in your day to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because this all time you only find guide that need more time to be examine. The Lake can be your answer as it can be read by an individual who have those short extra time problems.
