*A Tales from Foster High Story*

Snarky yet good-hearted Robbie DeCaro made his first appearance in the pages of Tales from Foster High: End of the Innocence, years after the loss of his first and only love. A New York transplant, Robbie now decides that his work is done in the town of Foster, and the time has come for him to leave Texas.

Returning to his childhood home on Long Island, Robbie reunites with his family members. Each using their own unique methods, they try in vain to help Robbie reset to a life he knew before he left it all for the fairy-tale love he found, then tragically lost.

As he remembers some of the darkest moments from his past, Robbie wonders if he'll ever find the "after" in "happily ever after."
