Navigating Intellectual Property Disputes: Leading Lawyers on Protecting IP Assets, Preventing and Resolving Disputes, and Understanding Recent Regulations (Inside the Minds) Multiple Authors

Navigating Intellectual Property Disputes is an authoritative, insider's perspective on assisting clients with managing IP assets and litigating disputes. Featuring partners and directors from some of the nation's leading law firms, these experts guide the reader through the various aspects of intellectual property, including trademarks, copyright, patents, and trade secrets. From developing a balanced IP portfolio to analyzing the financial impact of litigation, these top lawyers offer best practices for monitoring, auditing, and protecting a client's intellectual property. Additionally, these leaders discuss domestic vs. international IP, dispute resolution, the role of experts, client misconceptions, the prevention of IP theft, and current IP trends. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-changing field. Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community.
