Starfist: Wings of Hell David Sherman, Dan Cragg

Planet Haulover has been invaded by Skinks. Until now, the aliens' existence has been hushed up. But Force Recon's shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction. Meanwhile, back home, the Confederation's president is being denounced as a warmonger out to exterminate "harmless" aliens. If she loses the upcoming elections, the Confederation will have a lot more Skinks to worry about than the ones on Haulover.

Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns, such as staying alive. But what would be a suicide mission for most—whether it's raiding a hidden Skinks base or destroying the enemy's most lethal weapons during a desperate firefight—is just another job for the Thirty-fourth FIST.
